Winter 2008/09 Newsletter

New Facility— We are so excited about our new home! We're moving to 800 W. Lake Mary Blvd on February 17th. It's a free standing building with lots of interior space for a big classroom and reading resource room, a large therapy room, a dual purpose lunch and art room, two bathrooms, a teacher work room, and lots of closet and storage space. The best news is there is plenty of acreage around the building so we will be able to have a large fenced playground. The building and grounds really couldn't be more perfect for our needs. We're very excited!

800 Lake Mary Blvd.

We've already begun remodeling. We're painting and installing new carpeting throughout, fencing for a playground, installing a fire alarm, and various other odds and ends. Our work will be done by the first week of February, and we're planning to move the weekend of February 14th, opening school at the new location on Tuesday February 17th. Monday is Presidents' Day. When we have moved we will be extending our school day until by one hour to allow for outdoor time midday. Dismissal time will be 2:00.

DIR/Floortime[®] After School— With a nice big therapy room next school year we'll have space for extended day activities. We're currently working on details of a therapeutic DIR/Floortime program after school Monday through Thursday. DIR/Floortime is a wonderful program for enriched social-emotional development. As you know we use these techniques in class; and we look forward to being able to offer an extended day focusing on social-emotional development.

Welcome to Our New Students— Please join us in welcoming three new students starting in January. We're thrilled to be growing so soon. We will be closing enrollment for the 2008/09 school year with the addition of these three students. We'll be growing again for the coming 2009/10 school year and already registering students for next year so be sure to tell those within your parent circle to call or visit our website.

*Happy Holidays from the
Teaching Team at Chrysalis School*
